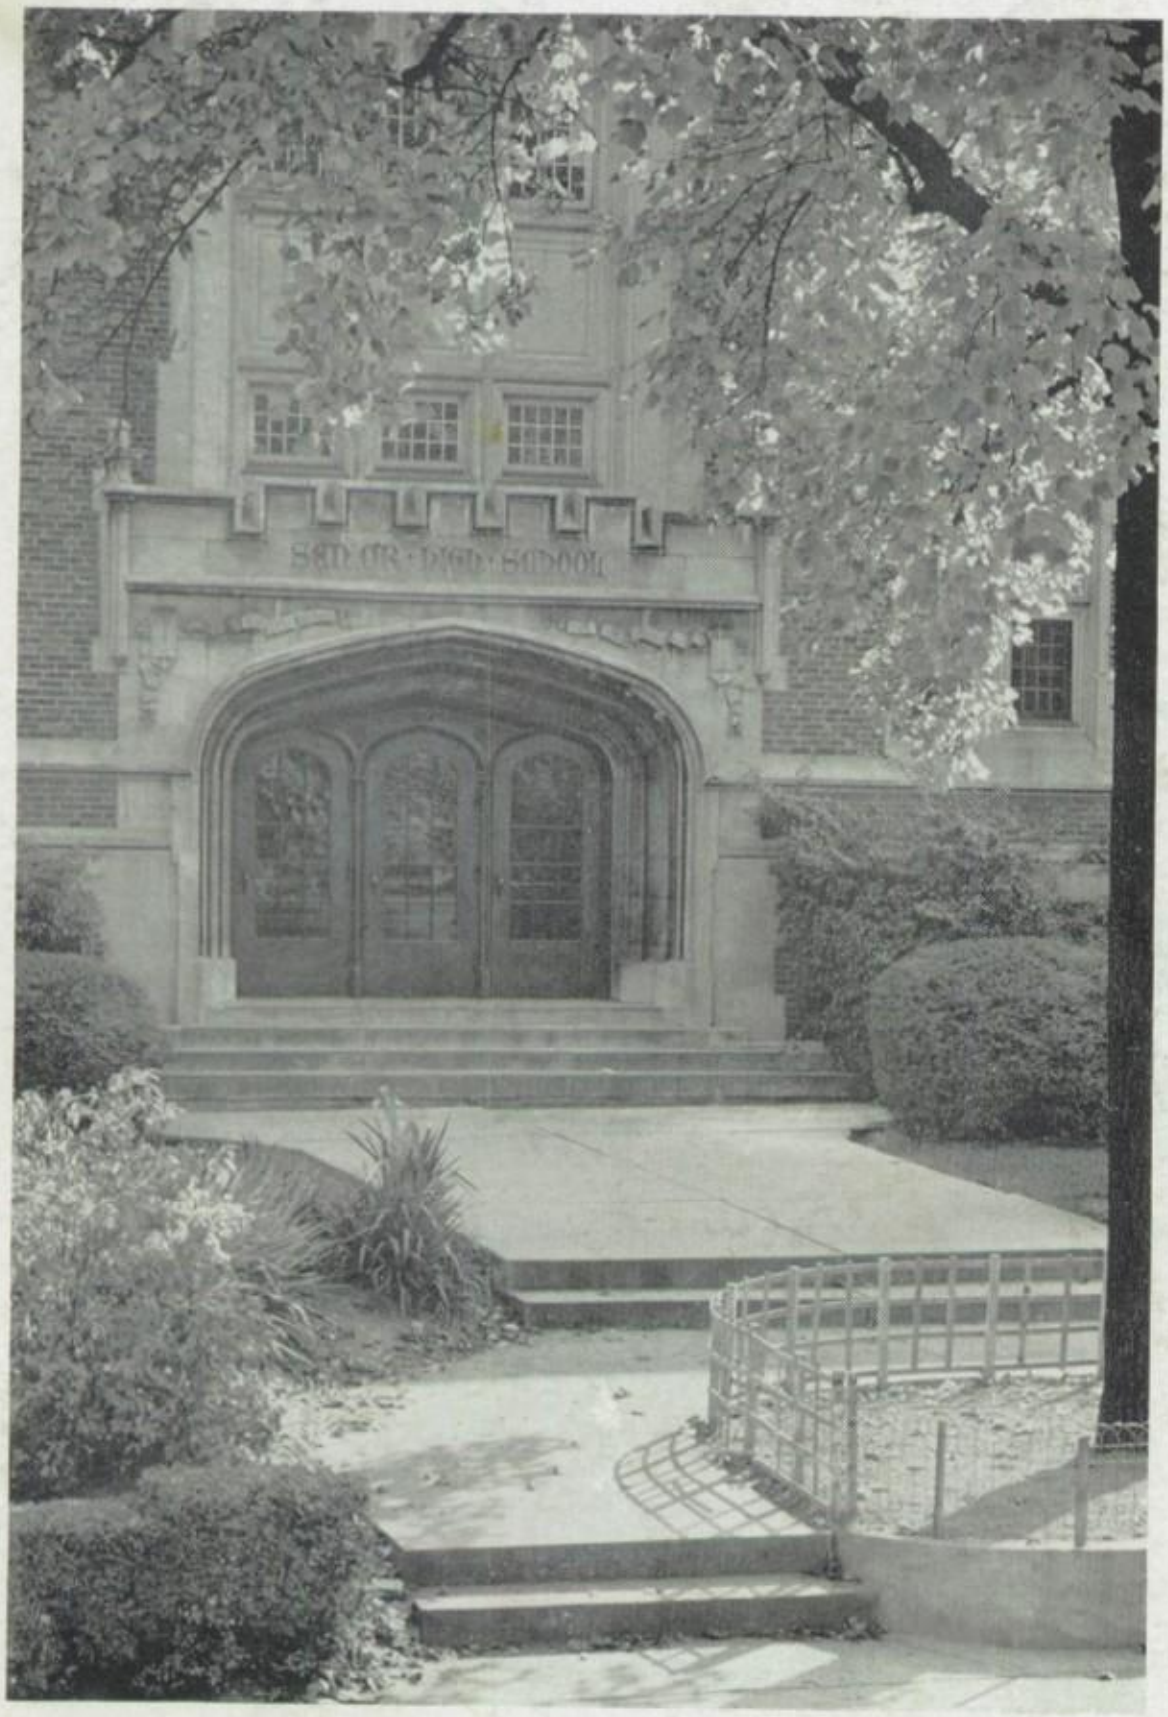
ROSENNIAL

'44



AT NEW CASTLE HIGH SCHOOL
NEW CASTLE, INDIANA

THE SOUTH PACIFIC . .
ISLANDS OF ADVENTURE AND CHALLENGE

WE SERVED IN THE CLASS AND ON THE HOME FRONT

OUR YEAR WAS FILLED WITH SERVICE ON THE HOME FRONT AS WE WORKED TO HELP WIN THE WAR AND INSURE THE PEACE TO FOLLOW. OUR TRAINING AT NEW CASTLE WILL FIT US INTO THE POST-WAR WORLD TO BE ABLE TO WORK AND TO PERPETUATE THE IDEAS AND IDEALS FOR WHICH WE ARE NOW FIGHTING.

THE 1944

ROSENNIAL

TRAINING AT NEW CASTLE HIGH TO MAKE MIND AND BODY THAT CAN EVEN ACCLIMATE ITSELF TO A FOX HOLE IN BATAAN . .

WE PREPARE

We study College Algebra for Science and Engineering.

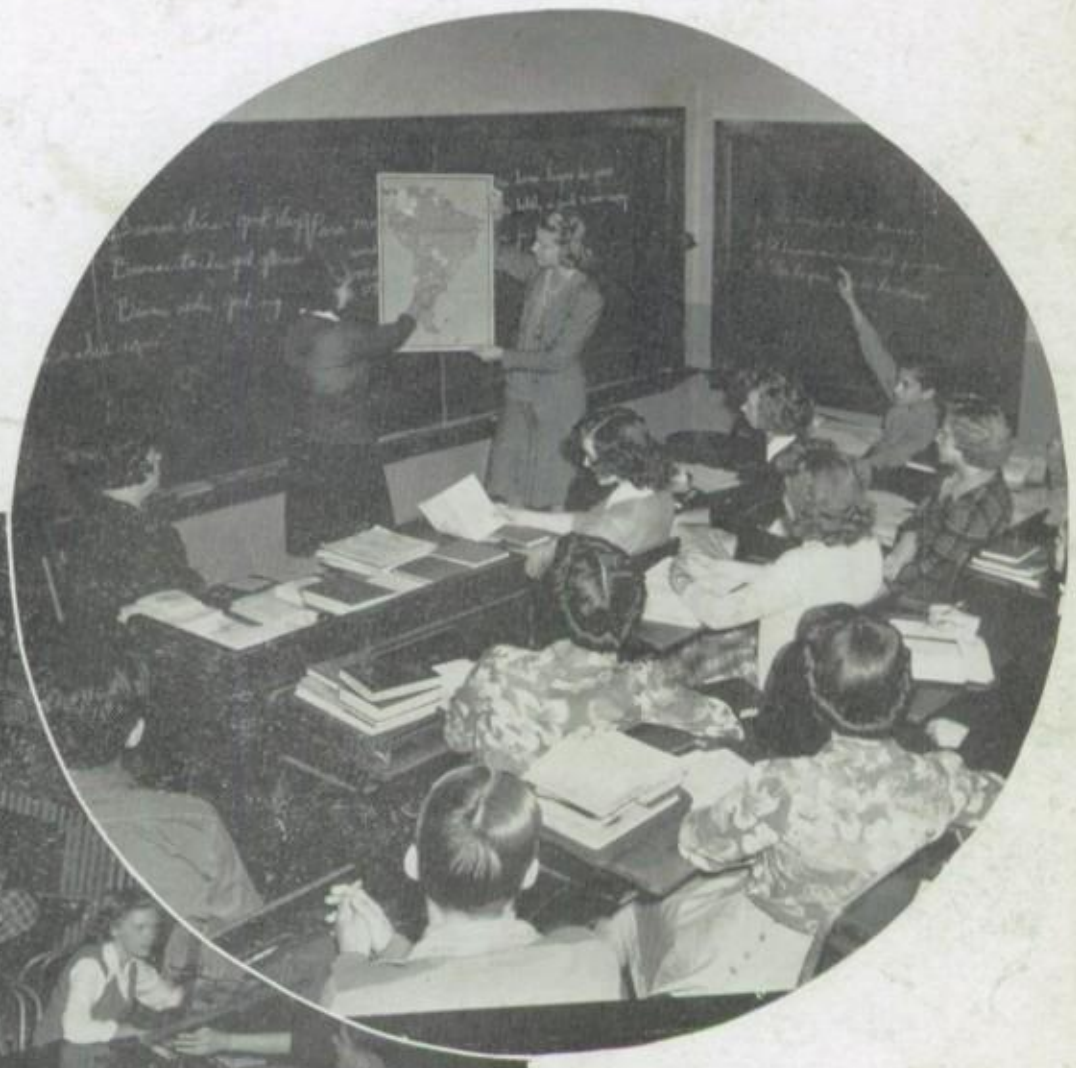
Girls planning for a nursing career learn anatomy from Mr. Bronson.

Future Aviators. Some make model planes in Mr. Baker's class; others study aeronautics under Mr. Snider.

FOR ACTION

WHILE OUR ARMED FORCES CONQUER THE ISLANDS OF THE PACIFIC AS STEPPING STONES TO SUCCESS, WE STUDENTS AT NEW CASTLE ENGAGE IN THE ISLANDS OF ACTIVITY PICTURED IN THIS BOOK AS STEPS TO SUCCESSFUL CAREERS AT HOME AND IN THE ARMED SERVICE OF OUR COUNTRY.

Spanish under Miss Pogue helps us to understand our GOOD NEIGHBORS.



Our armed forces and industry need people with a background in math and physics.

ADMINISTRATION

A CHILD-CENTERED SCHOOL

The teachers, inspired by Mr. Craw and members of the school board, have endeavored to center all activity in the development of us students.

We submit to a series of tests to determine our abilities and then are guided in our studies and important decisions.

It is by their help that we realize what possibilities lie ahead and how we can best prepare for them. They show us how to master each task as we confront it and to fit ourselves for a successful future.

JOE R. CRAW

Acting Superintendent of Schools

High School Principal

TO THE STUDENTS OF NEW CASTLE SENIOR HIGH SCHOOL:

We're living in a strange but challenging world. On every hand there are temptations to do our work carelessly and to live our lives recklessly. But there is a right way and it alone prevaileth. Let us do the right and let us unite as one to do that action. There is nothing so costly in any community as division and dissension concerning progress.

Let us be positive thinkers.
Let us be constructive workers.
Let us be humble servants.
Let us be orderly planners.
Let us be democratic citizens.
Let us be God-fearing believers.

Let our every move be done with vision, fore sight, and intelligence. You have so much for which to live. Choose your ways in life with wisdom.

JOE R. CRAW.

JUNIOR PROM

The class of '45 entertained the class of '44 at an original Junior-Senior Prom. The gymnasium was decorated as a skating rink and the entertainment followed the theme of a skating revue. Juniors sang forth with tunes such as "My Ideal" and "The Man On the Flying Trapeze." A circus, a wild west show, and a Hawaiian act were the numbers on the program. "Shoe Shine Boy" by Richard Archey on skates was a specialty. Lovely costumes were worn in the grand finale of "Stardust." The music for the dance were the strains from Lew Tolles orchestra.

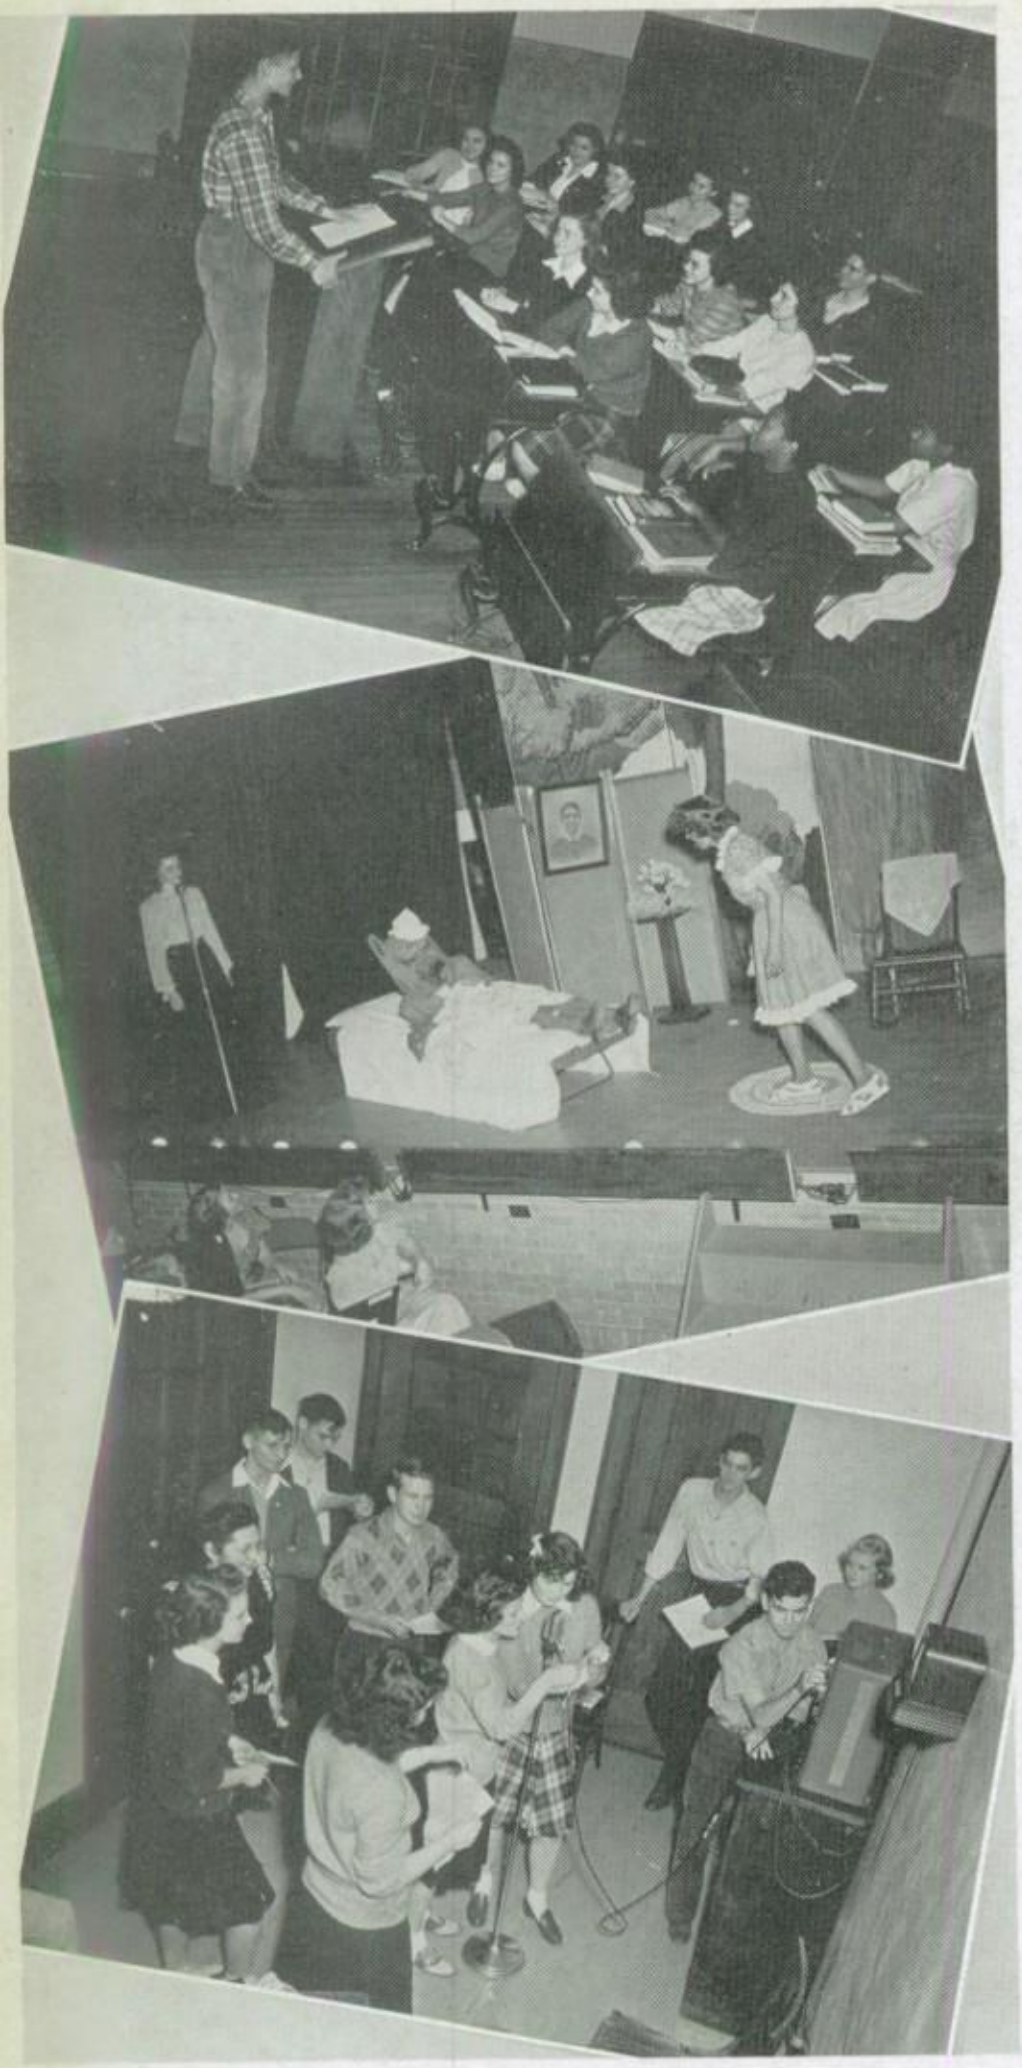
Norma Jean Scott sang "The Merry Widow" waltz.

YOUNG APRIL

A decided success was the senior play of '43, YOUNG APRIL, a former Broadway hit. The play centered around the glorious misery of the love life of the young McIntyre's and their friends. The story was set before a background representing colorful Southern California.



EFFECTIVE

A SPEECH BEFORE THE CLASS

"WHAT BIG EYES
YOU HAVE, GRANDMA!"

HERE ARE YOUR
MORNING ANNOUNCEMENTS

The students in the speech and radio classes receive valuable foundation training for whatever places of leadership they will eventually acquire. Not only in civilian life, but also especially in the armed service is this training essential. Army and Navy men of rank have stated that men training for officers need first and foremost to be able to address other men in a clear, understandable, and commanding manner.

We served the community in various ways this year. For book week we told stories, old and new, to all the grade rooms in the city. We promoted the Red Cross Drive and collected $731 from the schoo's. Miss Arford was chairman of the committee for the Christmas pageant in which we appeared as angels and took the speaking parts. For the "Four Arts' Show" we presented "Alabama Fables." At the April meeting of the parents and teachers, we pre-

sented a program of original and memorized pieces. George Warner was the winner of the local Rotary speech contest on the conferences of the Allied Nations.

The classes in Radio wrote and produced many stories to advertise special events of the school. They boosted the basketball teams and other athletics with original skits and announcements, such as the serial "Jack Trojan, the All-American Boy." They also presented a Bible program every Monday morning and other programs on special days. At all of the basketball games Herbert Shelley and Gerald Gernstein announced the lineups on the public address system.

We've had a profitable and enjoyable year.

"O SING YOUR SONGS"

The call for glee club was answered by thirty-four girls. These practiced one period a week for experience and fun. This is in part a training course for choir membership, because every member of the choir must have glee club training. During the first semester the girls appeared at the "Four Arts Show" and the Christmas Pageant. At "Crescendo" they appeared in gay calico and ginghams with starched white pinafores to sing folk tunes of America. Any girl in high school has opportunity through this organization to gain experience in reading choral selections or to just have fun by singing good music with a group.

CHOIR

Every day the seventh period music floated down from the south room of the new music department. Thirty-two members of the choir sang selections of all types, from carols for the annual Christmas pageant to folk tunes for "Crescendo Varieties." They helped frequently with the P. A. programs and appeared before many civic organizations. "Crescendo" gave them a chance to shine in colorful costumes with music to match. One of the highlights of the year was their leaving school for a day to participate in the Spring Festival at Anderson. They performed at senior vespers and on Honor Day. After the last song at Baccalaureate, they locked the robe cabinet for another summer.

CONCERT BAND

Part of the band rehearsal time every morning is devoted to concert numbers. One of these that the students will remember is "Caribbean Fantasy," played at the South American Convo. In crisp green and white uniforms with instruments gleaming under the footlights, they played a popular concert for the community bond premiere. "Stardust" and "Uncle Tom's Cabin" won instant favor with their large audience. For "Crescendo Varieties" they played a Slavonic rhapsody and accompanied the second act of the show. Class day ended their year's program and the green and white uniforms were put away again.

MAY KEEP THOSE SONGS

"'A' for the violins. Please! Is everyone tuned? Play the scale of G major concert." Fifth period practice and an extra hour stretch on Wednesday afternoons has kept the orchestra ready to play for their many engagements.

All the school shows of the year have been enhanced by the accompaniment and between scene numbers of this group. Two concerts, civic performances, the North Central Conference banquet, and their share in the "Crescendo Varieties" have kept the rest of their time well filled. The string section stood on its own feet for the first time and played string orchestra numbers. At the close of the year they played while the seniors made their final bow.

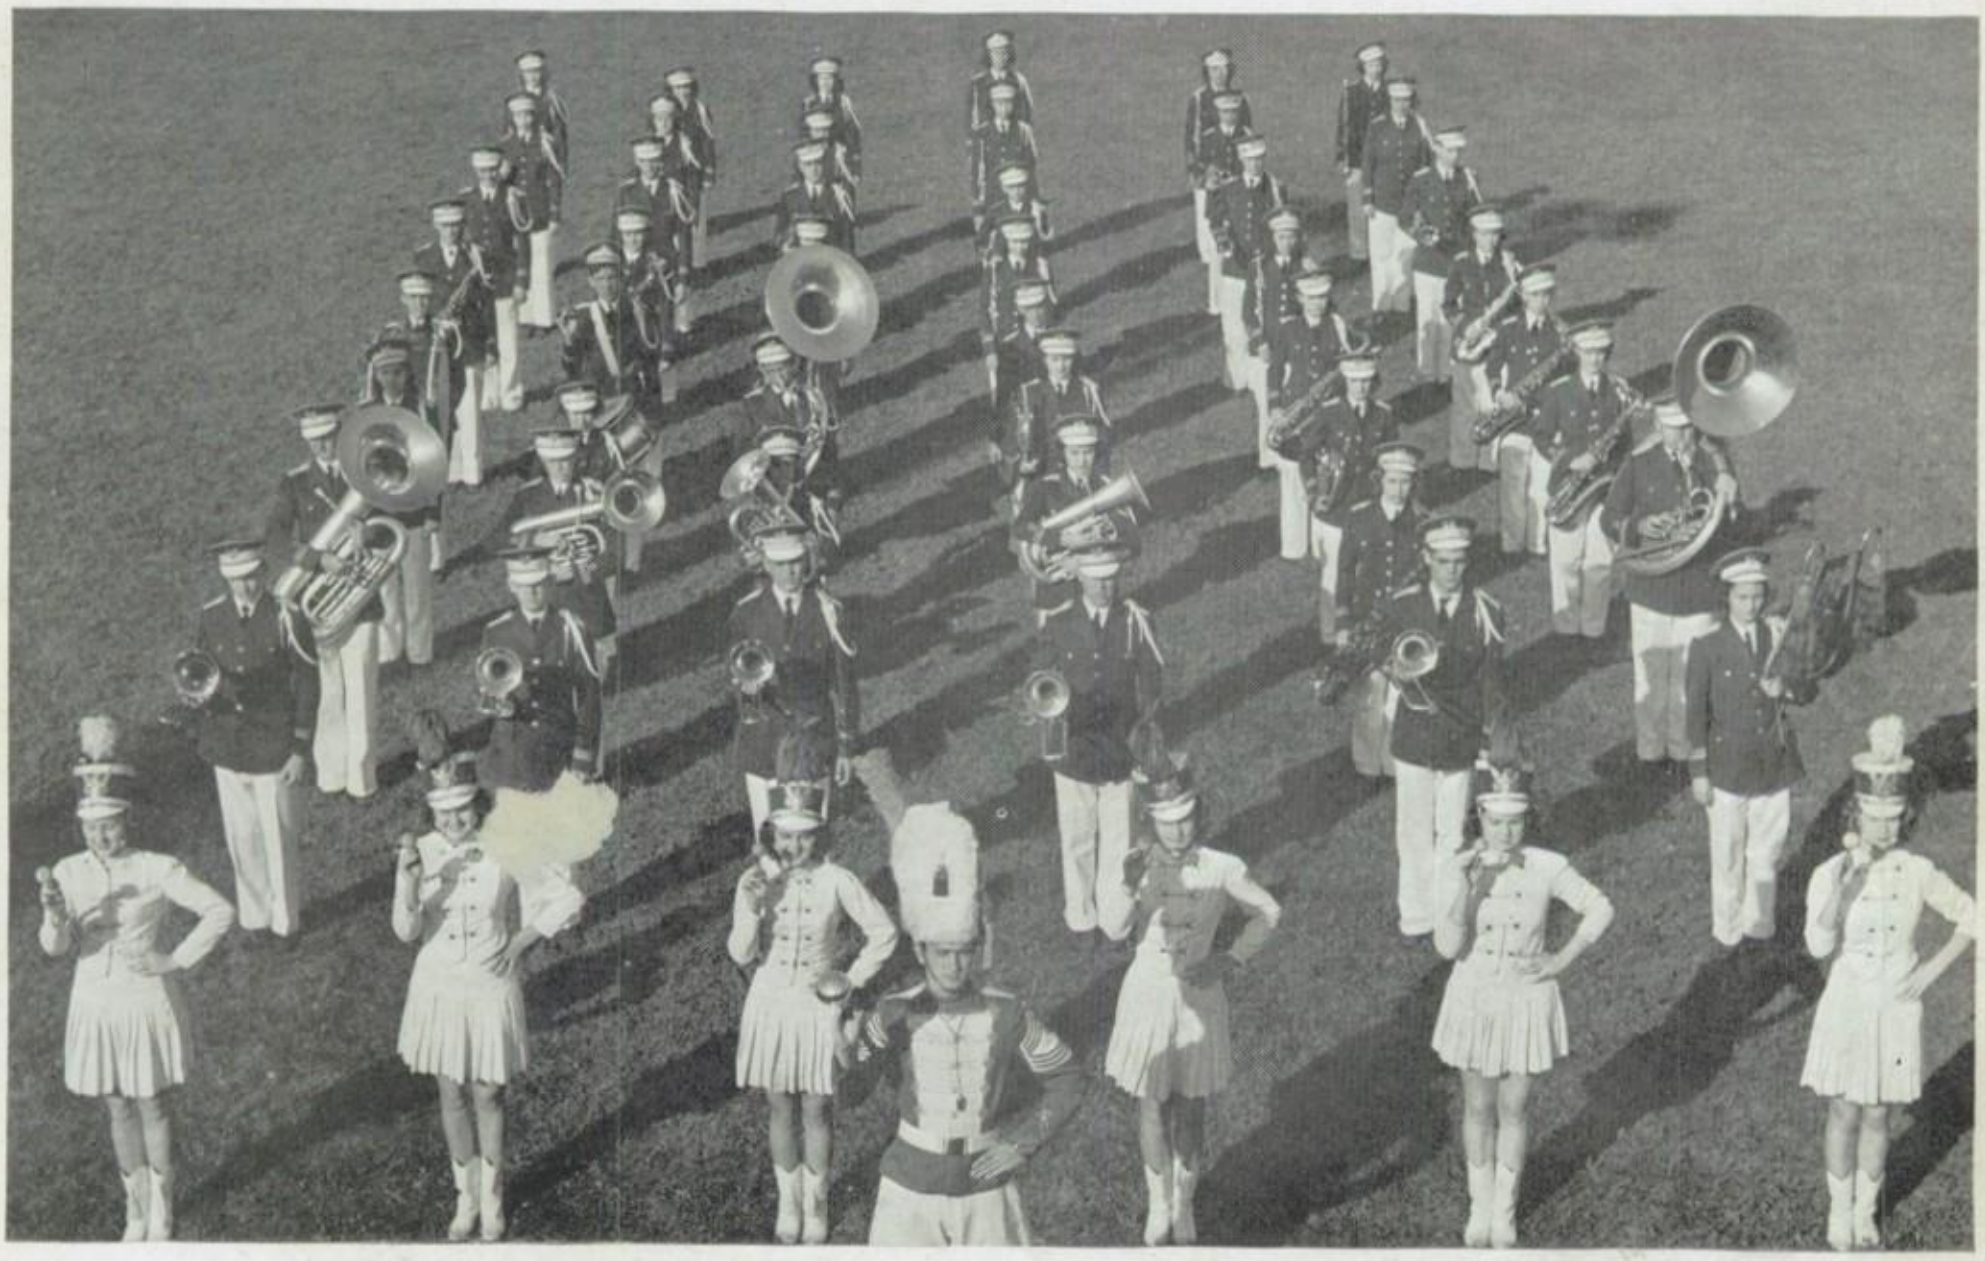
REMEMBERING THEM

REHEARSAL

Under the capable direction of Miss May Dorsey and Mr. Gene Chenoweth, the music department has had a memorable season. A shining new music department on the third floor with separate choral and instrument rooms, convenient instrument lockers, and an office, complete with bright blue draperies, greeted us the opening day of school. From the first notes of "On New Castle" at the opening football game to the last strains of the commencement recessional some musical organization has performed at every major school activity. Our instructors worked hard to perfect our musicianship for two spring concerts. All was not work however. During the Christmas holidays, a lighted tree and decorations cheered our rooms. After the holiday party, we waded snow to serenade the teachers with carols. We reviewed our accomplishments at our annual dinner in May.

FROM YEAR TO YEAR

MARCHING BAND



A vital part of N. H. S. school spirit is the marching band. Bud Chambers and the six majorettes led down the field in true marching fashion with flags waving, plumes flying while they played spine tickling music to give every fan a thrill between halves at the home football games. At basketball games only the twirlers marched, but the others were there every game above the south basket to add pep and color to the whole scene. The pep band, which was composed of boys from this organization, lived up to its name at every cheer session. No one will soon forget the way they swung out on their theme song, "Mrs. Murphy's Chowder." This band may well be proud of its record of playing at every major athletic event of the 1943-44 season.

"Have you read the Phoenix this week?" That's a familiar question in the halls of N. H. S.

Two staffs served each semester. Leatha Lorton and Marjorie Stewart were editors the first half of the year; and Beatrice Stoots and Donna Dudley the last half. The faculty adviser for the Phoenix was A. D. Allen and the printing instructor was Joseph A. Greenstreet.

The exchange editor was swamped with correspondence to the boys in the service. Special issues were printed at Thanksgiving, Christmas, Sectional Tourney, Easter and Commencement.

Five members from all the staffs represented the Phoenix at the Indiana High School Press Association at Franklin College. Bob Sherry, president, was in charge of all the meetings at the convention.

TRI-HI

The Tri-Hi club's calendar was full of events. Pledge dinner and formal initiation were in honor of the new members. Tri-Hi hay ride was full of fun. The Holiday dance and college girls' tea filled Christmas vacation. Hearts Hop was the usual success. We sold cokes and spilled them at the games. All members went to work as volunteer aids at the Clinic. Our mothers were honored at the Mother and Daughter Banquet. We dined the Trojan team at the annual Lettermen's banquet. Finally and fondly the senior members were bid good bye at the senior party.

HI-Y

The Hi-Y met on Tuesdays. They sponsored the best hayride of the year with weiners and fun for all. Their Harvest Hop was one of our favorite dances. Kay McNaughton was elected district chairman. During the winter they entertained at a dinner honoring their fathers. The members wrote hundreds of letters to former Hi-Y's now in the service. The Hi-Y always works for a better place in which to live.

After we had sold our subscriptions for $1.50, as usual, we discovered that prices are higher — much higher. And so we did some figurin'. We sponsored the Tatterman Marionettes to increase our budget. We sold pictures and padded covers, sponsored a dance, and held a pretty girl contest. We have increased the size of the book by ten pages and doubled the number of pictures. The result is the best wartime record of our school that we could accumulate.

THE SUNSHINE SOCIETY

As in the previous years, the Sunshine Society members scattered their rays of sunshine in the halls of N. H. S. and outside of high school. Early in the year they presented each teacher with a desk blotter. On Valentine's Day they honored the faculty with a Valentine party at which Mr. Chenoweth and Mrs. Wayman were crowned King and Queen of Hearts. Among the patriotic activities of the club was the dance they sponsored for the sale of war stamps. This year the Sunshine Society gave fruit baskets to aged and sick and presented their annual money gift to the Riley Fund. The society held two meetings a month.

Officers of the Sunshine Society were:

They were represented in the intramural teams with a good season. The president was Wayne Glad until he left for the service. Then the office was taken over by Leo Rhodenhamel. The secretary and treasurer was Bill Shelley. Mr. Kinder acted as supervisor.

NATIONAL HONOR SOCIETY

Members of the National Honor Society are selected by the faculty on basis of scholarship, leadership, service and character. Five percent of the junior class may be admitted to this club and fifteen percent of the senior class may be admitted.

Some of the activities of the society have been: Compiling the honor roll, sponsoring the clothing drive for Allied Nations, promoting the "Pig-skin Prance" after football games and their club banquet which was held February 10th.

Officers for the first semester were: President, Glenna O'Rear; Vice-President, Barbara Jordan; Secretary, Ruth Neuman; Treasurer, Martha Sharp.

CONVOCATIONS

Convocations are a sort of a painless process of education. We are highly entertained, and at the same time we gain visions of other worlds to conquer. Our convocations are held in the gymnasium with students from the speech department as chairmen on each occasion.

One of the beautiful features was the Christmas program presented by Miss Arford, Mr. Chenoweth, Miss Dorsey, Miss Manifold, and their departments. We were reminded to be ever watchful by the pointed play, "Wings Over America." Dr. Liddle, pictured lower right, was an inspiration to the students by helping them to solve their problems.

Other convocations we enjoyed: Mr. Sigmund Spaeth, song dectector; the Bubbles Concerto; Mr. Ralph Holland, speaking for the National Youth Council; Mr. Paul Harris talking about South America; Mr. John Sloan and his amazing experiments with liquid air; Dr. Roy Smith, editor of the Christian Advocate, and Mr. Arthur McKee, a song leader from Winona Lake. Then there were Senior Vespers, Class Day and Honor Day to round out a colorful year.

Student Chairmen for these convocations include: Edythe Shapiro, "Sunny" Boyd, Charlotte Supinger, Marjorie Miller, Beth Emry, Wanda Cairnes, Mary Lou Andrews, and Virginia Harter.

NORTH CENTRAL CONFERENCE TROPHY WINNERS

IF WE DO

THE SEASON

When Wilbur (Strings) Allen announced that basketball practice would start for the 1943-44 season, he had high hopes for a very successful year. These hopes were certainly fulfilled.

From the team of last year four regulars were returning. They were George Barnard, John Stillwell, Henry Covert, and Charles McMillan. The reserves returning were: Phil White, and Gene Witt. With other fellows from out of town and Allen's own son, a freshman, "Strings" started fashioning his team.

By the time the first game rolled around every Trojan was anxious to see the results of the previous weeks of practice. After witnessing impressive victories over Hagerstown and Connersville, everyone was jubilant. The Mighty Trojans suffered their first defeat at the hands of Muncie Central by a score of 31 to 32. But this loss was soon forgotten and the warriors rolled on and on over strong and weak foes.

When January first and the Big Four Tourney came the Trojans were rated first in the state for weeks by the Associated Press writers.

Losing to Kokomo in the Big Four Tourney by a margin of points, the Trojans came back with every

thing they had and won nine straight victories.

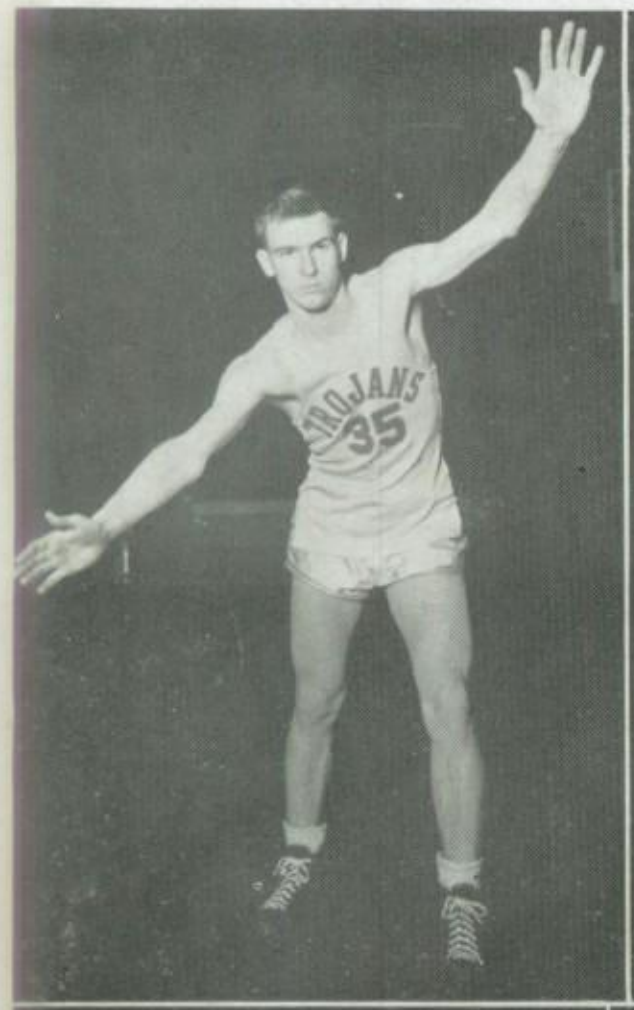
The Green and White rolled over Frankfort, avenged their loss to Kokomo with a 13 point victory, defeated Lafayette, mauled Richmond and Marion and kept barreling right down the line of victories. Then came the climax. The Trojans, still rated number one basketball team in the state, came to grips with Central of Muncie. Our warriors absorbed their first defeat by these Bearcats.

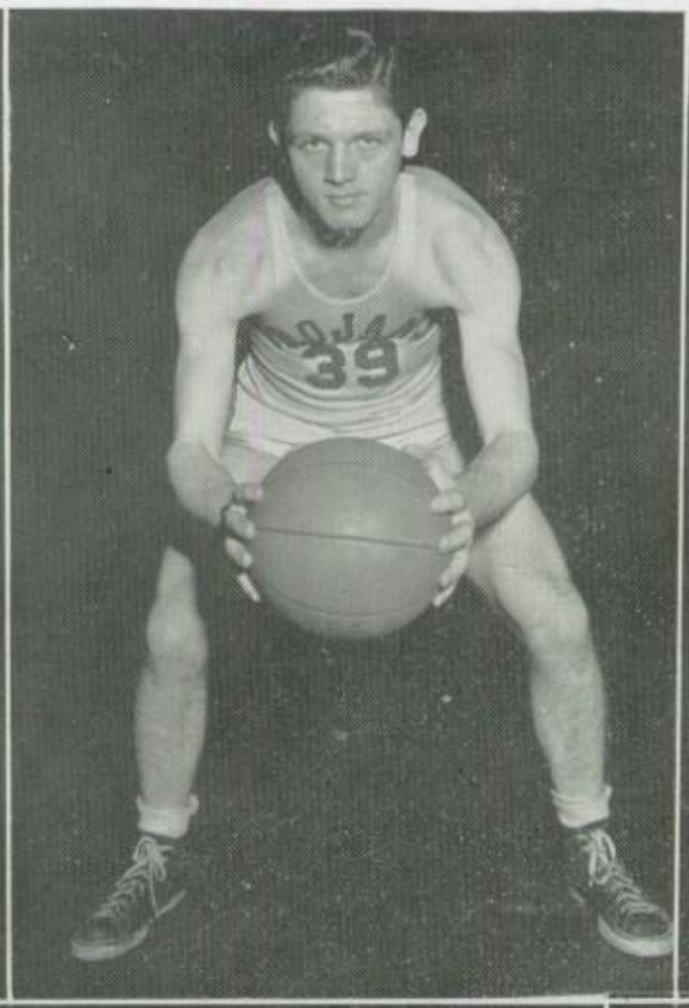
With the greatest showing of speed, power, and shooting ability ever displayed at the Church street gym, the Trojans came out on top 67 to 36. This victory won them their share of the first North Central Conference title ever to be won by a New Castle basketball team.

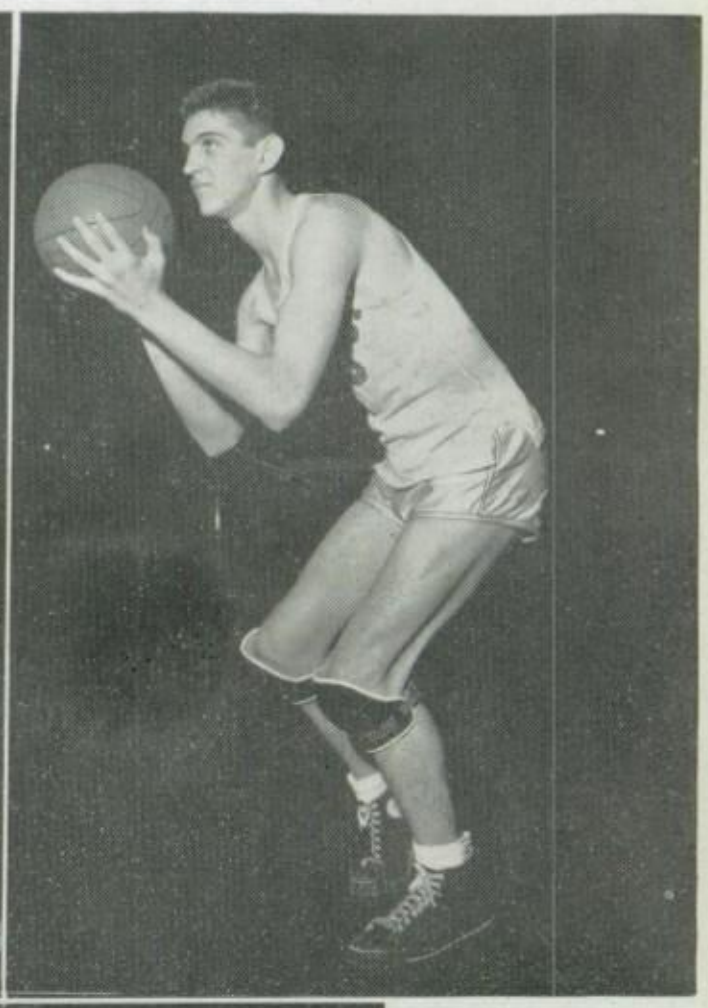
After this most successful season, the Trojans were picked to win the state championship by Bill Fox, veteran sports writer of the Indianapolis News. The men of Troy came through the hard bracket of the sectional. The next Saturday at the Regional at Muncie after winning over a tough Winchester quintet, the Trojans gallantly lost to a giant Burris, Muncie team by a score of 31 to 30.

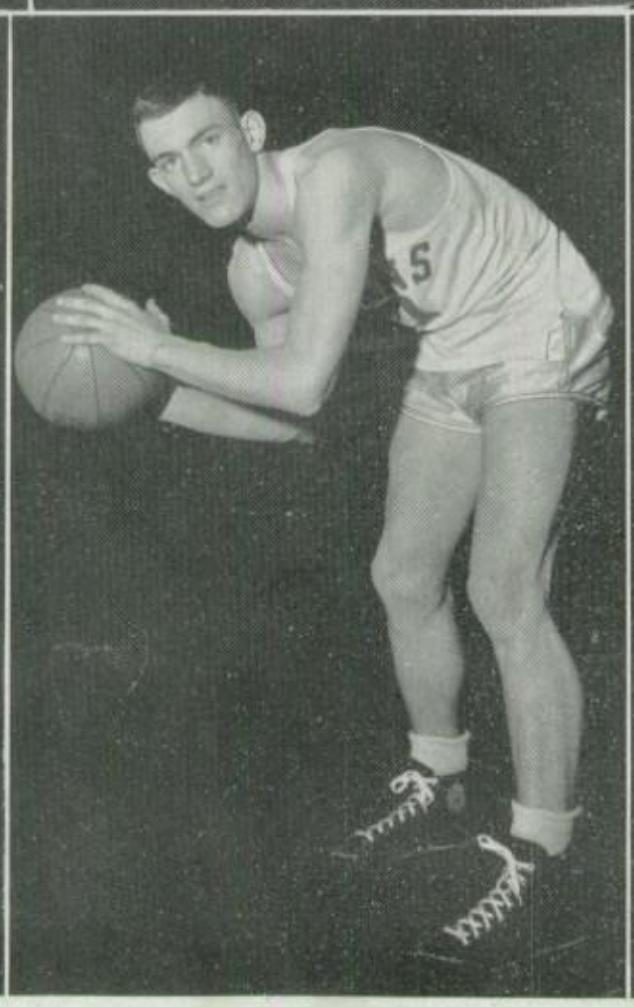
The boys on the team can well be proud of their brilliant season record of 17 wins and 3 defeats.

TROJANS-TROJANS









Henry Covert, senior. "Hank" came to New Castle from Anderson in his sophomore year and Coach Allen took him under his wing. "Hank" developed into one of the state's star guards.

Gene Witt, senior. Gene was a boy "Strings" could always rely on when he needed some points. Witt, a left-hander, was a real tip-in-artist.

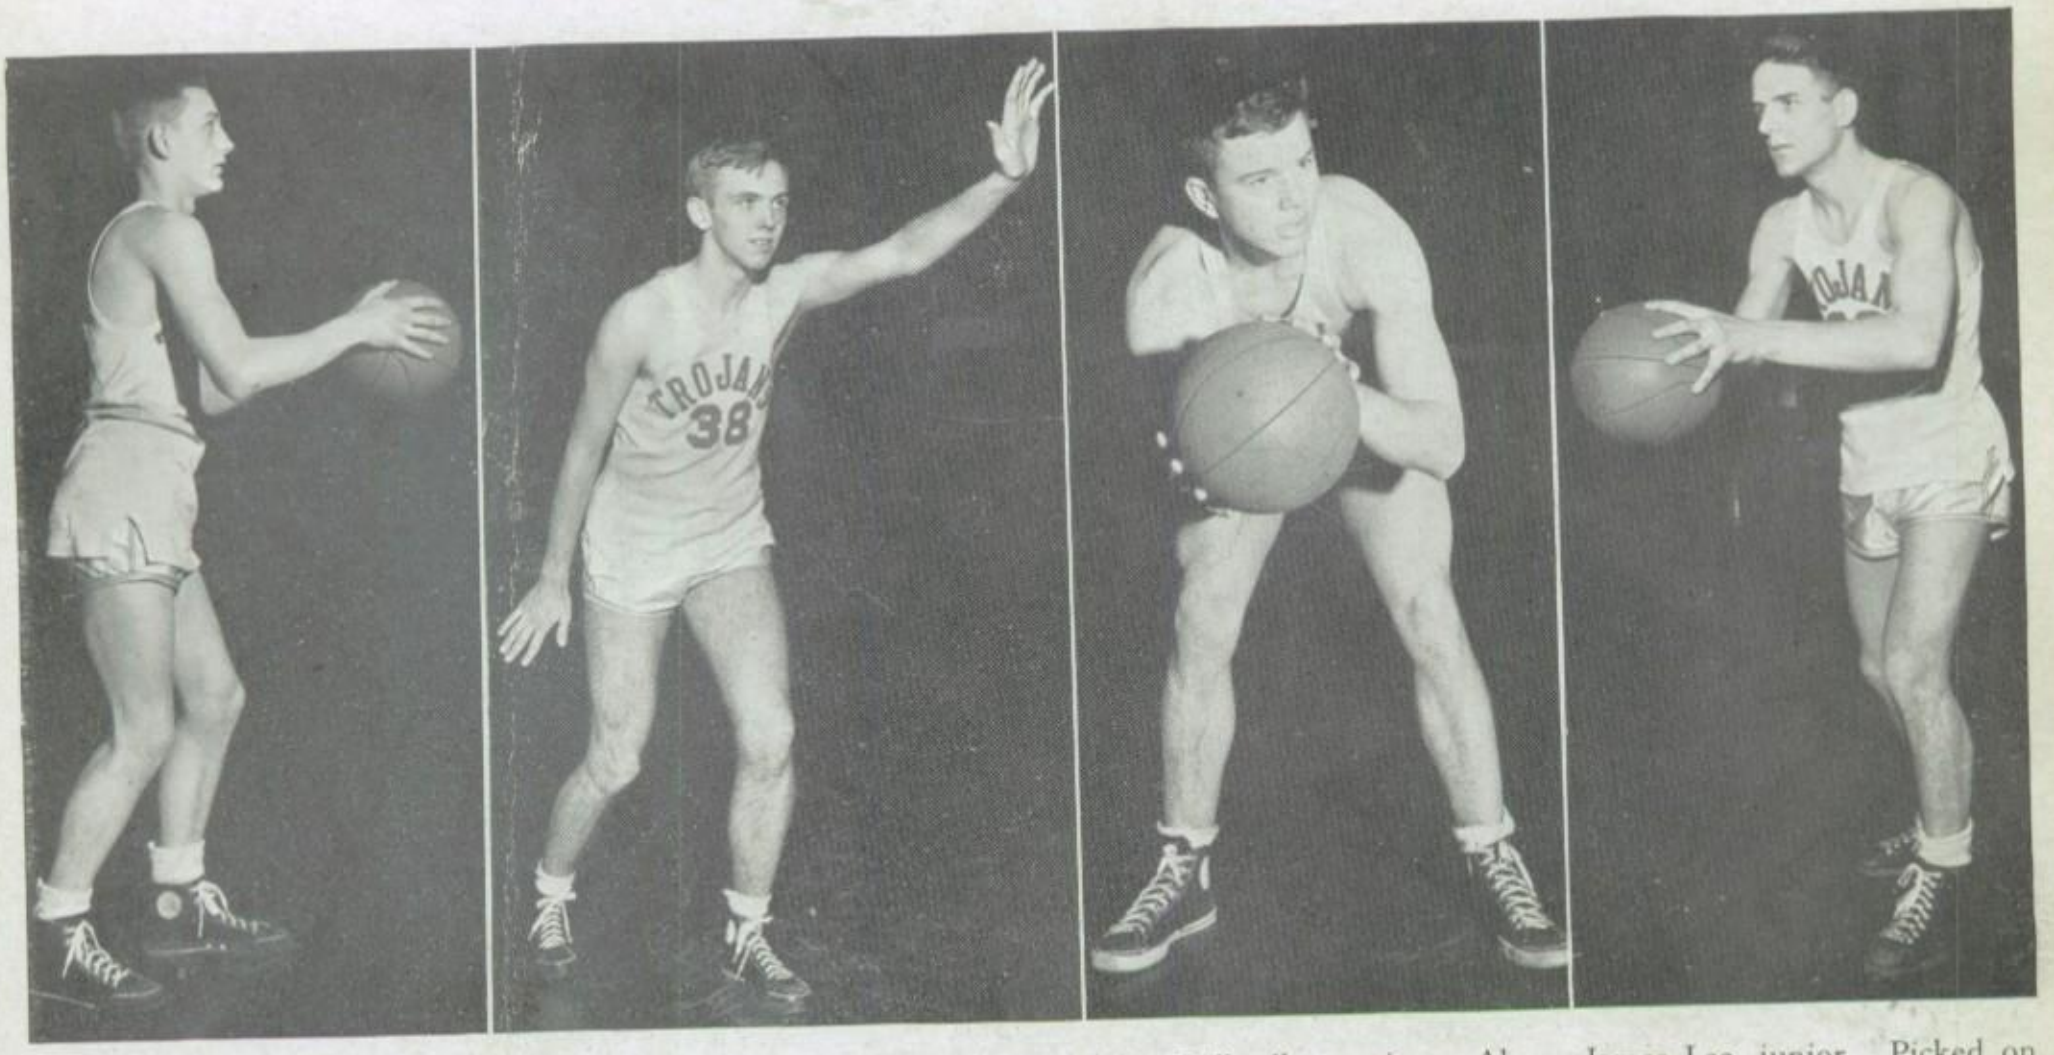
Joe Goff, junior. This year was Joe's first at N. H. S. Joe went out for basketball and soon made good. With another year under his belt Joe will make a real rebound man and work horse on the team.

Richard Cronk, junior. Dick developed fast during the year and by the end of the season was a valuable man. When called on in the Regional, he came through with two badly needed "buckets."

Charles McMillan, senior. "Mac" was chosen on the all conference team as being the best pivot man in the N.C.C. ball clubs. "Funny-boy's" record breaking 194 points in twelve games is proof enough of his ability.

George Barnard, senior. Stellar forward on the starting five. Known as the stabilizer of the team, George could come through when the chips were down.

FIGHT!



Philip White, junior. Phil was a valuable reserve this year, who saw plenty of action. "Whitey," known for his fast ball handling, will be indispensable to Coach Allen next year.

David Allen, freshman. This youngster who is 6 feet 4 inches tall showed himself to be a boy who learned fast. Dave was a rebound artist and could handle the ball like a veteran ball player.

John Stillwell, senior. Although "Turkey" was the shortest man on the team, he made up for it with his high jumping. Johnny Bill's uncanny one-handed shots brought him second place honors in the N. C. C. scoring race.

James Lee, junior. Picked on the tourney team because of his dependability and ability to hit the basket, Jim should be a mainstay of next year's quintet.

TROJAN COLTS

These freshmen and sophomores constitute the "B" team. The "B" team had a very successful year under the guiding hands of Coach Randall Lawson. Working hard and with determination, they won a majority of their games.

In the "B" team Big Four Tourney our future Trojans came out on top to bring home a victory over Muncie and Richmond. The Colts lost a close game to Hagerstown in their first match, but came back with a decisive victory over Connersville. Following defeats at the hands of Muncie and Anderson, the Colts won games from Burris, Tech, and Rushville. Splitting games with Richmond, the Colts gathered momentum and beat Frankfort. After losing to Marion, Lawson's Charges were in the win till the end of the season. They beat Muncie, Greenfield and Anderson in succession.

Two tournaments were played, one for the "shrimps," then one for the "big fellows." Some hotly contested games were played with the Music Makers and Pistol Packers coming out of the scramble without a scratch.

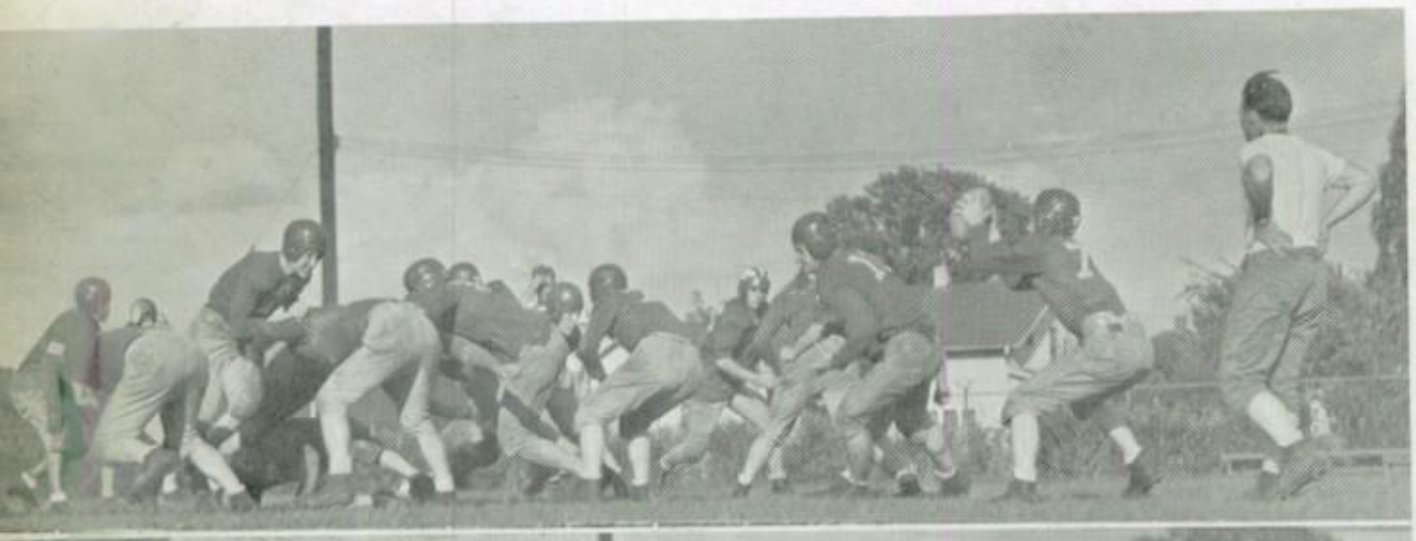
SCRIMMAGE



JUNIOR VARSITY

The Trojan "B" team enjoyed a very successful season, considering that they used only freshmen and sophomores. They lost the first game to Muncie, won the next one from Richmond, and then battled Muncie to a tie in their last game.

Record: Won one, lost one, tied one.

WON 4, LOST 2, 4th in the conference.

MUNCIE

The Trojans initiated the '43 grid season against powerful Central of Muncie. The greenclads were excited and a bit shaky at first and allowed three Bearcat scores and an extra point in the initial period. Then followed three quarters of hard fought football with Central scoring twice and the local boys marking up one tally.

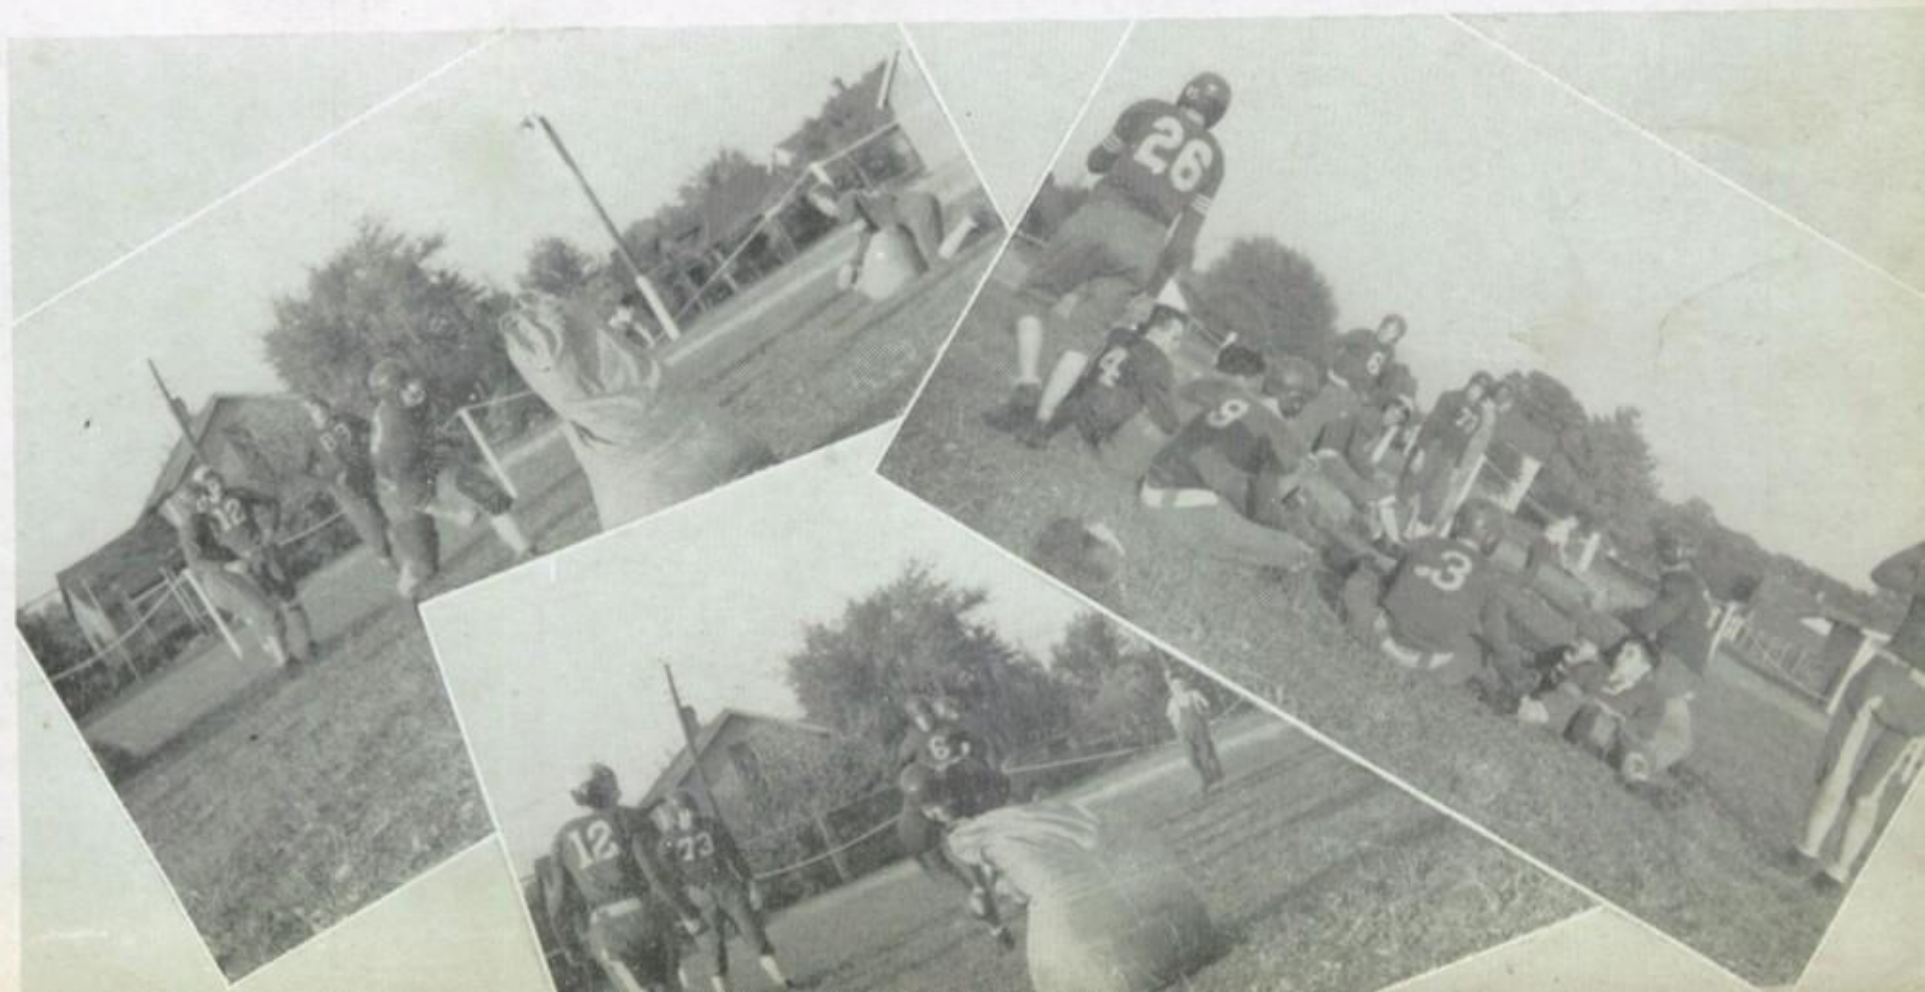
KNIGHTSTOWN MORTON MEMORIAL

Smarting from a game that should have been a lot closer in score, the Trudgers went out the same week and battered Morton Memorial clear off the field to the tune of 25-0. It was during this game that "Aggie" Rifner, "Griz" Baker's girl drop-kicker, made her debut.

RICHMOND

One week later the Trojans traveled to Richmond to engage the Red Devils. This was the Trudgers first appearance away from home. The game was a close battle throughout, most of the action taking place between the 30 yard markers. The half ended with the score deadlocked 0-0. In the fading minutes of the 3rd stanza, Leo Beaty, line-busting fullback, carried the oval over from the 6-yard stripe. The fourth quarter was all New Castle, but they could not again hit pay-dirt. The game ended with the Baker-boys on the long end of a 6-0 score.

SCRIMMAGE



Rudolph Jolley, right end; Harold Stanley, left end; Tom Lester, left half back; Albert Heinz, quarterback; Russel Cleek, guard; Fred Lawless, right tackle; Jack Peckinpaugh, center; Charles Chance, right end; Carl Marcum, guard; Gerald Gernstein, left end; Roscoe Keesling, tailback; Ernest Dagley, left end.

RUSHVILLE

The next game found our Trojans on foreign soil again, this time at Rushville tangling with the undefeated Lions. The game was a hard fought affair but was uninteresting to the crowd, because when the final gun sounded the two teams had fought to a scoreless tie. The Rushville lads had made two bids for scores and the greenies smelled pay-dirt three times.

Student Managers: Harvey McMath, Noble Ford, Tommy Underwood, Robert Preble

MARION

We next found our boys at home engaging the Marion Giants. The upstaters had lost four straight games and the home forces expected an easy touch. For the first few minutes it looked like New Castle all the way. Beaty scored from the four after only four minutes of play. Then came the fireworks. In the opening minutes of the second quarter Marion started a drive that ended in Joy, Marion fullback, going over. Dessing plunged the point and the score read 7-6, Marion. The rest of the quarter and the whole last half was a change of plays with neither team able to score. The game ended with the Trojans passing toward a touchdown, but the score remained 7-6, Marion.

Dick Cronk, left half back; Bob Kirby, quarterback; Lewis Farmer, right tackle; Herschel New, fullback; Albert Alexander, guard; Donald Archey, tailback; Wayne Coers, left end; Ray New fullback; John Mastin, right tackle; Charles Hudson, quarterback; Jimmy Lee, center; Bob Helms, guard; Leo Beaty, fullback; Norman Vincent, tailback; Mark Justice, left tackle.

ANDERSON

The wet game followed against Anderson Indians. It rained during the entire game. In the first quarter however, the Trojans showed they were good mudders by driving 55 yards to hit pay-dirt. After Anderson had passed the Trojans, New Castle rallied at the start of the last quarter and pushed the water logged Indians all over the field. The final score: New Castle 21, Anderson 12.

KNIGHTSTOWN MORTON MEMORIAL

One hot, stuffy afternoon the greenclads again took the field against Morton Memorial. Again the Morton lads found the Baker boys too powerful and they found very little to stop them with. The final score: New Castle 12, Morton Memorial 0.

ELWOOD

The final game of the season matched the greenclads against twice beaten Elwood. The game was a fitting finish to a fine Trojan football season, even though it ended in a 27-27 tie.

With nearly forty boys reporting for Track in February, Coach Lawson got an early start in the "oval sport" this spring. The boys who reported for Track were willing to work hard for they all wanted to win and very few boys quit this spring. The veterans such as Captain Coers, C. W. Nichols, Jr. Keith, Tom Lester, Phil White, Ernest Dagley, John Doyle, J. H. Payne and Bob Kirby, along with a large group of willing youngsters rounded out into one of the finest track teams to represent New Castle in the past five years. New Castle High School is indeed proud of Coach Lawson and this fine '44 team.

Aggie is our celebrity. Some schools have their Eleanor Holmses, some have their Alice Marbles, but New Castle has its Agnes Rifner. Her picture has been featured in newspapers from coast to coast because she is the only girl to have played on a high school football team. Aggie is a fine example of the thorough training and conditioning that is developed through our athletic program, directed by Miss Harrington. Good sportsmanship and team work are stressed in the regular Thursday night meetings of the Girls' Sports Club, where they play basketball, baseball, and other sports. For three years the tumbling team has given exhibitions between halves of basketball games and at pep sessions.
